## EXPERIENCE

**Laminator | The Roasted Ground**

AUG 2021 – JUNE 2022

I worked part-time as a sticker laminator. I was given a supply number of stickers and film and then I was directed which film to use on which stickers. At first, I worked slowly to get used to the task and as time went by, I gradually worked quicker and more efficiently.

## SKILLS

- Proficient in Java and Python Programming Languages
- Proficient with Video editing software: Adobe Premiere, Shotcut, Da Vinci Resolve
- Hardworking
- Good at managing time
- Persistent
- Proficient in speaking skills and public speaking
- Experienced in Computer System Servicing

## ACTIVITIES

I am passionate about dissecting technology and programs and learning about how they function. I tinker with technology from time to time because I get curious on how they work. I am also fond of playing video games and learning about its nuances and imperfections to improve my own game development skills. It helps me learn from other people's mistakes and it inspires me to never give up and make mistakes of my own, so that I can learn from it and improve my skills.
